Balayage and Foil, the Best of Both Worlds by Molly Stover 4 Hrs Cost: \$ 65
The way we have traditionally highlighted hair has drastically changed over the past few years. Balayage is here to stay, but foiling still has its place! Master the art of free-hand painting and change how we see foil highlights to give them an updated, soft look! Learn how to decide whether to foil vs. balayage and how we can combine the two for a dimensional, bright, beachy blonde that all of our guests are going to want going into spring!

Classic and Trending Cuts by Holly Davenport 4 hours Cost: \$65
This class focuses on men's cuts, but will explore all phases of men's and women's haircutting. Choosing the cut to match the client. When do you choose razor over shear, texture creation with different tooth shears, razor, and point cutting or slicing? Includes a nice overview of clipper cutting. This class will give you insight to judge your creative self and make the choice that fits each individual's needs.

Transitioning Clients to Natural Hair by Teresa Saxton-McCurry 4 hrs Cost: \$65
Engage in the world of natural hair by learning how to manage and style hair without the harsh chemical associated with some of today's services. What products and tools to use, and how to properly care for and grow natural hair. Your former relaxer wearing clients want to go natural and they need your help. Busy clients really don't want to watch YouTube videos to learn how do their own hair. Your clients want you, the professional, to perform the techniques they want. In our growing multi-cultural world, the average client may have a combination of hair types and textures. You will learn how to navigate through this diversity and build your business as a reflection of the world today.

AcryGel and other Nail Trends by Tiffany Hammond 4 hours Cost: \$65
If you use gel polish you need to know about the "acrygel" technique. Acrygel is a combination of acrylic and gel. It's a method for use a gel foundation with acrylic powder to combine the strength of acrylic with the flexibility of gel. Keeping up with the latest products and technology in the professional nail field can be overwhelming. A review of trending products will help you personalize your client's nails to fit their lifestyle and incorporate fashion trends. Learn this evolving service to set yourself apart from your competition. Acrygel has no odor, no drill, no UV lamps, zero dry time and you can soak it off. Wow your client with a service that meets their needs. Increase your profit while building a happy, loyal clientele.

Think Out of The Box Nail Art and Design by Tiffany Hammond 4 hrs Cost: \$65
Nail art is in high demand, especially during the holiday season. It's no longer just about gems and stripes... Think Out of The Box when creating nail art! Nail art will spice up your service menu and increase your bottom line. Start creating in living color. Water/gel marbling, 3-D art, appliques and the Ombre graduated color look are among a variety of nail art techniques that you will learn. Nail art has been an undying trend, but fewer and fewer nail techs are willing to spread their artistic wings. In this class you will learn that nail art is fun and easy, because... there are NO MISTAKES in art. You may bring your favorite nail art supplies if you want to try some techniques. Supplies include manikin hand or fingers, nail tips, art brushes, make-up sponge, orangewood stick, three polish colors, three gel colors, odorless white acrylic powder and liquid, white builder gel, base and top coats.

The Art of Threading by Roberta Ritter 4 hours Cost: \$65
If you possess an eye for beauty, attention to detail, dexterity with your hands and a love to learn new skills, this threading class can lead you to an exciting future. Eyebrow Threading is a popular procedure that is non-invasive and very effective in achieving sharp and well-defined eyebrow lines. There are no waxes, chemicals and lotions involved in this procedure and its effect lasts up to four weeks before thinner hair grows back. Though threading first became popular in the Middle East and India, it has become well known in other parts of the world. It is easy to learn the techniques of eyebrow threading but it requires instruction, skill and talent to master it. Learn how to provide the perfect arch to create killer brows for every client. The class will review tools and supplies needed to practice threading.

Full Body Massage Certification by Cheri Heinzerling 8 hours Cost: \$125
This course is designed for the Esthetician or Cosmetologist to receive their full-body massage certification. By taking this course, an Esthetician or Cosmetologist may provide full body massage as part of a skin care treatment. Massage is a treatment that can be added to a salon for minimal cost and minimal space yet allow you to increase your income. You will receive hands-on massage techniques and learn about the application of products and their uses. In addition to your continuing education units each participant will qualify to be certified in massage for Ohio State Board of Cosmetology purposes.

Eyelash Extensions By Roberta Ritter 4 Hours Cost: \$65
This introductory course will give you all of the important aspects of eyelash extensions, choosing the right candidate, proper procedure and technique, marketing tools, pricing for profit and client safety. Demonstration of the eyelash extensions will be performed with a limited amount of practice time. Discover how to create an open look and an elongated look with lashes.

Look Inside the Makeup Kit, What the Pro's Use by Dresden Buras 4 Hrs \$65
From eyelash curlers to kabuki brushes, there are so many makeup tools on the market that it can be tough to figure out exactly where to start. If you're ready to step your game up but don't want to waste space or money on unnecessary items in your makeup kit, we've got your back. The core focus of this class is helping you know what you are using and why! We will concentrate on skin care product knowledge including professional salon skin care products, as well as drug store and department store products.

Human Trafficking by Kathy Tomaro (free with 4 hour class) 1 hr Cost: \$15.00
Human trafficking is one of the fastest growing criminal Enterprises worldwide. It is a form of modern-day slavery where perpetrators profit from the control and exploitation of others. The Ohio Cosmetology industry serves thousands of Ohio citizens each day. Each interaction with a customer represents an opportunity to spot the signs of Human Trafficking or to educate people on the signs of Human Trafficking. This one hour class is required for all licensees, including those 65 or older. **Take this live class free with any of our four hour classes. Sign up early, space may be limited.**

Please note:

- A). Late arrival or early departure may result in the loss of class credit.
- B). You must sign the sign in sheet in the classroom to earn the hours.
- C). You may not take the same class more than once in the same renewal year.
- D. **Sign up for two or more courses at the same time and get a \$10 discount!**

**Call (440) 442-4500 or
